nacel.

## *COURSES*

15 hours of classes per stay, usually in the morning. They gather as much as possible young people from different nationalities. All aspects of language are addressed even though oral practice is particularly put forward. Classes of 15 students maximum.

## *EXCURSIONS AND ACTIVITIES*

5 afternoon of London sightseeing or leisure activities: British museum, London Eye, Camden market town, Tower of London, West End walking tour ... are some examples. Travel is by means of public transport or private coaches. The participants are always supervised.

## *ACCOMMODATION*

7 days / 6 full board. In host family.

On weekdays, midday meals are taken at school (packed lunches provided by families).

Daily trips: to get from the family at school, most of the participants walk, if a map of transport is necessary, it is included in the package.
